

We Print The Internet

Internet services for Plain communities.

We research, post, and build — so you don't have to go online. Below is a summary of the services we offer.

Research

Need information from the internet? We find it, summarize it, and deliver it as a PDF to your email.

Social Media Management

We manage your business's social media presence. Posts, scheduling, and reporting — handled for you.

Weather Forecasts **Free**

Text your zip code to get a free weather forecast by SMS. Or get daily forecasts by email. No apps, no internet, no account needed.

Web Development Coming Soon

Need a website for your business? We'll build and maintain it for you.

Pricing

Free: Weather lookups for any US zip code, plus map, directions, and nearby lookups.

Basic (\$15/mo): Unlimited lookups, daily weather delivery, advanced research available.

Family (\$25/mo): Everything in Basic, plus 1 advanced research request per month.

Business (\$49/mo): Everything in Basic, plus 4 advanced research requests per month.
